Standard Operating Procedures

Trail Etiquette

1. Be responsible! You represent your club on the trail!
2. Adhere to the principles of Tread Lightly. Stay on the Trail! This is the only way to keep them open!
3. Take nothing but pictures – leave nothing but memories.
4. If you pack it in, make sure you pack it out (and more if possible).
5. Help others on the trail. You never know when it could be you!
6. Think before you act. Practice club safety procedures at all times.
7. Whether on the trail or on the road – DON'T drink and drive!
8. Remember to “Give a Hoot and Don't Pollute!”
9. HAVE FUN!!! That is what the sport is all about!
